1. Formal drawings from the drawing amendment filed 11/25/02 have not been received by the USPTO.

2. The following is an examiner's statement of reasons for allowance: None of the prior art of record either alone or in combination discloses the combination in the independent claims specifically:

- Regarding claim 28, the examiner agrees with the applicant argument that Shigematsu does not disclose a waveguide holding member with both longitudinal and transverse grooves. All the grooves in Shigematsu are parallel. The transverse groove identified by the examiner is really a wide longitudinal groove.
- Regarding claim 35, the examiner agrees with the applicant's argument that You teaches away from being used as an optical switch.
- Reasons for allowance of the other claims were given in previous office actions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael C. Zarroli whose telephone number is 571-272-2101. The examiner can normally be reached on 7:30 to 3:30 M-F.
